

J. S. Terry Hunt

Nonwilt Conn. Sept. 25/64

My dear Prof. Gray, when last month
I saw you in New Haven and an-
nounced my intention of visiting
Boston you were so kind as to invite
me to be your guest. I hope to reach
Boston on Wednesday, but as I have
a little business in town I shall put
up at the United States ~~Hotel~~ ^{Parker House} for
a day or so. but in case it will be
agreeable to you to receive me after-
wards, shall be very happy to transfer
the base of my operations to Cambridge.
I am looking with much pleasure
to an opportunity of discussing with
you some questions of general sci-
ence which interest me just now
and about which I need your
counsel.

Prof. Asa Gray.

I shall hope to hear from you at
the ~~United States Hotel~~ ^{Parker House} informing
me whether you and Mrs. Fay are
already in town. Meanwhile I re-
main my dear prof. Fay.

Very devotedly Yours,
